## Land acknowledgement

*As we gather, we are reminded that Guelph is situated on treaty land that is steeped in rich indigenous history and home to many First Nations, Inuit and Métis people today.*

*As a city we have a responsibility for the stewardship of the land on which we live and work.*

*Today we acknowledge the Mississaugas of the Credit First Nation of the Anishinaabek Peoples on whose traditional territory we are meeting.*

An enormous **THANK YOU** to the many volunteers who helped behind the scenes throughout the Junior and Senior show production. We could not do this without you, and we appreciate your time and effort. Keeping our dancers safe and well supervised is our top priority. It takes a village to run a production the size of ours, and we have the most incredible village in Guelph.
